Summer Camps 2021

Commitment to Excellence

The Boys & Girls Club of Stoneham is dedicated to providing children a positive and safe summer camp experience where they can not only play, learn and grow but create unique camp memories with friends, old and new. Our camp programs are designed to introduce campers to new interest and hone in on existing skills. Campers participate in an experience where fun and learning go hand-in-hand. *All camps follow guidelines set by the MA Department of Public Health and are licensed by the Stoneham Board of Health.*

Our Staff

Summer Camp Staff are made up of a group of highly motivated professionals and college students. All counselors take part in a selective interview process that includes CORI & SORI background checks to ensure the safety of our campers.

Junior Camp! (Ages 5-6)

Join us in Junior Camp where we create a memorable summer camp experience for our younger campers. Our 5 and 6 year olds will participate in all of the traditional summer camp activities that are engaging and age appropriate set at their own pace.

Camp Stoneham! (Ages 7-13)

Club Campers participate in a wide variety of activities including sports, arts, STEM and many more exciting chances for your child to have a summer they will never forget. Campers are grouped by age and travel with their groups throughout the day. Camp Stoneham provides campers with a plethora of traditional activities that make day camp the place to be during the summer!

CIT Camp (Ages 13-15)

Our CIT Program is a unique experience designed to provide leadership opportunities that prepare teens to become staff members at camp or elsewhere, as well as productive members of their community. The CIT program includes: internship in all aspects of a counselor's job at camp, participation in service projects, training sessions on such topics as basic child development and behavior management, counseling techniques and best practices pertaining to communication, and leadership.

Specialty Camps 2021

Specialty Camps! (Ages 8-12)

Spend your mornings (9:00am-12:30pm) in our Specialty Camps that are designed to give campers the chance to explore and expand their knowledge in their activities of interest.

Price per week:

STEM Madness—Channel your inner mad scientist and let your imagination run! We will explore all sorts of STEM themes each day and learn about the world around us.

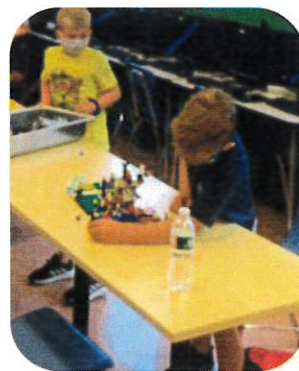

Sports Mania - Spend the week with us learning skills and drills in all sorts of sports. With an emphasis on sportsmanship and teamwork campers will get to run their energy to the next level!

Pokemon Camp - Gotta catch'em all! A Stoneham Club camp classic returns again this year giving campers a chance to explore the "Pokeworld" with fellow trainers and become the next Pokemon master.

LEGO Camp - Brick by brick campers will face a daily LEGO challenge to test their master building skills while also tapping into their imagination and creativity creating their own LEGO worlds.

Art Camp - Explore the artistic world this summer through classical materials and media as well as challenging yourself to go beyond the paintbrush.
